2011 10 24 CommStrat.docx

David,

Here is the latest comm strat I have. Its from Oct 2011 prior to the November 2011 public meeting releasing Phase 3 and 4 data. We have since sampled wells again for a Phase 5, but I wasn't involved with the data roll out.

This likely isn't the "final" version as there are unanswered questions in the document.
